RE: REVISED - 2009 No-Hub Pricing:

Dear Tyler Pipe Distributors,

In response to feedback from our loyal stocking distributors and in light of recent economic changes, Tyler Pipe has decided to revise our previously announced 2009 No-Hub list prices and multipliers. Following is a summary:

- All 2008 No-Hub Pipe list prices will be used to begin 2009.
- Most 2008 No-Hub Fittings list prices will be used to begin 2009. List prices on 10 fittings will be altered to correct historical list price anomalies (See Attached).
- Shortly, Tyler Pipe will post the 2009 list prices on our web page.
- Multipliers will remain the same as they are now, unless you are individually notified otherwise.

We remain unwavering in our commitment to keep you in a position to be competitive.

Thank you for your feedback and support. We truly appreciate your business and your understanding.
